RDO (FDO) Store List Report

a Report Manager report pulling Extranet store data by RDO/FDO

This report can be used to verify or track:

- Franchisee Email Address (for PerformaLogics, Kahala/brand communications, customer feedback)
- Franchisee Username (for Franchisee Portal login)
- Franchisee Food Safety Manager Certification Expiration

1. Log into the <u>https://corporate.kahalamgmt.com</u> use your Outlook username & password

 Select search criteria from the two drop down menus (Status and RDO), then click View Report

 Once the report has generated, click on the SAVE icon to save the Excel report onto your computer; SAVE tends to default to your *downloads* folder, but you can specify another location on your computer
